

WHAT’S PERIMETER’S STRATEGY?

The mission of Community Outreach at Perimeter is to provide volunteer resources, and serve as an intercessor on behalf of organizations serving the poor and marginalized in our community. To that end, we strategically partner with faith-based organizations

along the continuum of care that lead people off of the path of poverty to one of self-sufficiency. Our vision is a community in which individuals and families experience spiritual, personal, social and economic well-being through the demonstration of Christ’s love.

POVERTY — STRATEGIC CONTINUUM OF CARE

HOW YOU CAN GET INVOLVED?

SUPPORT YOUR LOCAL CO-OP

Our local co-ops serve as the first point of contact for many families in crisis in our communities. You can deliver donations of food, clothing, and other critically needed items throughout the year. Or, consider volunteering and giving your time to these organizations. Any of these locations in your city would be a great starting point.
