## The Righteousness of God

## ASSIGNMENTS

- **MISSION** – Remind your JG of the importance of developing personal worship. Continue to encourage them to use the “21 Day Personal Worship Journal”.

## EXERCISES

- Review memory verse of the week.

## DISCUSSIONS

- **TRUTH** – Discuss any of the **IN BIBLE** questions. Ask your JG to share their personal applications of these verses. Their personal applications should start with the word “I” – e.g. “I will (with God’s help) ...” If they haven’t written down personal applications, or if their applications aren’t specific and measurable, coach them on doing this. Application is the hardest thing the student of the Bible has to learn.
- **TRUTH** – Review the **TO SUMMARIZE** section. Make sure your JG understands this point: In both His nature and His behavior, God is the ultimate standard of what is morally right and good and just. All His will, works, decrees, commands, warnings, judgments, promises, blessings and mercies are necessarily righteous, just, and good.” Then ask your group to discuss what difference this makes in their lives.
- **EQUIPPING** – Discuss any of the equipping questions you wish, but emphasize the practical applications of God’s righteousness – trust in difficulty, hope in the gospel, and gaining assurance of salvation.
- **ACCOUNTABILITY** – allow time for smaller groups of two or three to ask accountability questions and pray for one another.
- **MISSION** – During this section of *The Journey* you will organize your JG to participate in a service project in order to demonstrate the gospel. The discipleship and outreach ministries of your church leadership will inform and equip you for leading your group in this project. Try to involve everyone in your JG in a discussion of the mission service project. Make sure everyone has an opportunity to share in the preparation and/or execution of the project.
