

### OUR STORY

Perimeter Church, in Johns Creek, Georgia, was founded in 1977 with a desire to see the entire city of Atlanta brought into a transformational encounter with the Kingdom of God.

Just 20 people attended the first Perimeter worship service which was held in vacated office space over a small Buford Highway strip mall in Chamblee. From those humble beginnings, the church has grown into a ministry that has far-reaching impact throughout Atlanta and the world.
