

Prayer Requests

Atlanta Mission

We ask for prayers to cover the men, women, and children who we serve daily at all 4 of our shelters. Pray that God would continue to use Atlanta Mission to give them hope and transform their lives.

We also ask for prayers for everyone working at Atlanta Mission and that they would be granted the strength and encouragement that is needed to be the hands and feet of Christ and that through their work and interaction with our clients, each employee would experience life transformation.

A Beacon of Hope

Big picture: Despite the Heartbeat Bill, Georgia patients are having just as many abortions. The law change is not stopping them, as they are finding out earlier and going across state lines, or receiving abortion pills via mail.

Upper 90 Soccer

1. Pray for God to raise 1-2 people with a heart for the Gospel and a background in soccer to serve alongside our mission as full-time missionaries.
2. Continued provision from God for his mission at UPPER90, for new relationships with Kingdom-minded individuals, families, businesses, churches, and foundations to plant seeds in our mission.
3. UPPER90 2.0: God's wisdom, leading, and clarity as to where He is leading UPPER90 into the next 10 years.
4. For God to continue to use UPPER90 and the platform of soccer, locally and globally, to see church planting happening and disciple-making movements.
5. God's continued favor as we build relationships through soccer with people of other faiths and create bridges of trust that allow us to share our lives and the Gospel with them.
