

## 2 YEAR BIBLE READING PLAN

You hold in your hands a simple plan for reading through the Bible. By systematically reading through the Bible following this plan, you will gain an appreciation for God's story of Glory, Grace and Truth displayed through the ages. It is a story filled with intrigue, deception, colossal failures and even greater stories of redemption. Once this becomes a part of your normal routine, you will be amazed how these stories come to your mind as you face daily life challenges.

Every year Christians decide that they will read the Bible in its entirety, only to give up. There are some simple things that you can do to enhance your probability of success. Select a specific time to read each day. Make it an appointment that you keep each day. Next, find a location that has good lighting and is comfortable, allowing you to read without any interruptions. Finally, select a translation that is easy for you to read.

If you find yourself falling behind, do not get discouraged. Continue to read each day. You will be surprised how far you can get by reading a few verses each day. One final note: reading the Bible should not replace your personal worship\*\* time or personal study time. This time of Bible reading is designed for you to gain a panoramic view of God's story. You can begin at any time - why not begin now? Keep this plan in your Bible and mark off the sections you read to record your progress as you enjoy the Story of stories.

*\*In this reading plan you will read the Old Testament once, the New Testament twice, Proverbs and the Gospel According to John eight times and Psalms six times. The reading is split into morning and evening readings.*
