

An Introduction to

Union

“Our vision is to see churches flourishing in the gospel and driving forward in mission. To see this, we grow leaders to grow Christ’s church around the world”

Michael Reeves, President Of Union

Union is an ecosystem for church growth:

- Growing leaders through our **School of Theology**,
- research at **Newton House**,
- Our **Publishing** house resources the church,
- And church planting through **Mission**.

Story: Reaching Halifax with the gospel

Supported by Union, our graduate Doug Clark planted Hope Church with a vision to change that.

“The finances we received through Union Mission have been vital because it’s meant that as a new church we’ve had solidity and our presence in the community has been consistent week to week.”

DOUG CLARK, UST GRADUATE

Thank you for listening!

Will you pray for Union to equip more leaders, plant new churches, and support mission in the UK and overseas?
