## WHY NORTHEAST ATLANTA?

The target area is Northeast Atlanta, specifically South Forsyth, Johns Creek, Alpharetta, and Western Gwinnett County. This part of Atlanta is affluent, educated, family-friendly, and **growing rapidly diverse**. There is a large East Asian (Korean and Chinese) population, but also has the fastest growing South Asian (Indian) population in the country. For example, one elementary school in South Forsyth is 75% Indian and nearby subdivisions are becoming almost 100% Indian

Tony, Marilyn, Joy (11)  
John (9), and Joshua (6)

Living in Atlanta now for 3 years, the Lord has been preparing this work through the support of Perimeter Church, in giving leadership to a city-wide South Asian prayer movement, and also by developing diverse relationships inside and outside the church.

## WHY US?

I have been involved in ministry for 15 years now (an ordained pastor in the PCA for 6 years). For 12 years I ministered at a largely Pan-Asian church. Marilyn and I also specifically led a South Asian ministry and we saw fruits of salvation, maturity, and equipping. I also had the joy of pastoring our international and ethnic ministries: Korean, Filipino, Taiwanese, Japanese, Indonesian, Latino, Vietnamese, and Black & African

WHAT ARE OUR  
CORE CONVICTIONS?

OUR VISION

To see a church that so deeply enjoys the Triune God that we overflow in a love that flourishes the nations locally and globally

04

WHAT WILL BE THE  
STRATEGIC IMPACT?

OUR MISSION

Making disciples through the pathway of Gospel, grace, joy, righteousness, and love.

**POST-CHRISTIAN SOCIETY**

Compelling witness through Minority-led Multiethnicity

A post-Christian society skeptical of a divided American Church can be drawn in by the surprising power of the Gospel that brings true unity amongst diverse peoples

**SOUTH ASIAN CHRISTIANS**

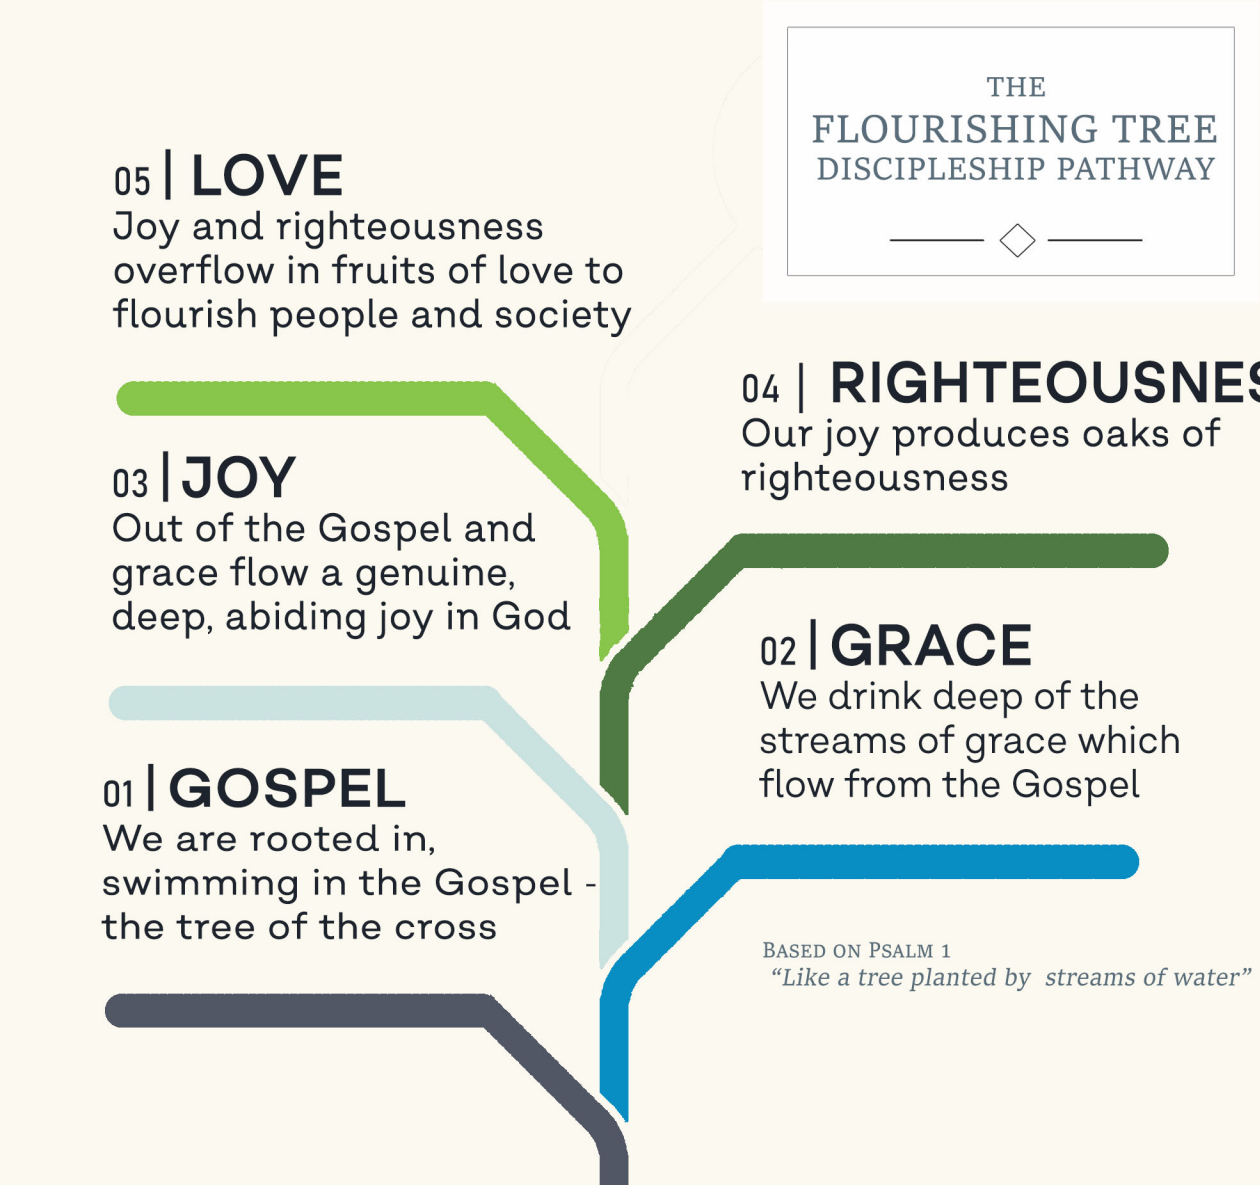

Developing leaders and seeing a multiplying movement

There is a great need in Atlanta and nationally for discipling South Asian Christians into genuine faith and then equipping leaders for seeing a multiplying movement.

**SOUTH ASIAN NON-CHRISTIANS**

Reaching Hindus and Muslims with the Gospel

There are many churches in NE Atlanta, but few that have any reach into this community. We want to see a church planted with one less barrier to the Gospel.

PRAYER

This is a God-sized vision and we need the committed prayers of many. Sign up to be on our prayer update list: [www.joyofallnations.org/PrayerUpdates](http://www.joyofallnations.org/PrayerUpdates)

WHAT WILL WE  
NEED TO  
GET THERE?

FUNDING

Our estimate is that it will take us 6 years to reach that point. Therefore, we are looking to raise at least \$300,000 from members of Perimeter to help us in our journey.

Would you consider the table and how the Lord might be leading you towards giving to this kingdom work?
